WRITING BOARDS.

---

Saint-Gobain, a world leader in the habitat and construction markets, designs, manufactures and distributes high-performance building materials across the world. Saint-Gobain in India is all set to revolutionise interior spaces and expand the canvas of glass and its applications with the new ***Saint-Gobain Inspire***, a stunning range of interior glass and solutions.

## **SGG GLASSNOTE**

SGG GLASSNOTE, a state-of-the-art product from ***Saint-Gobain Inspire***, is poised to redefine the way meetings and presentations will be held.

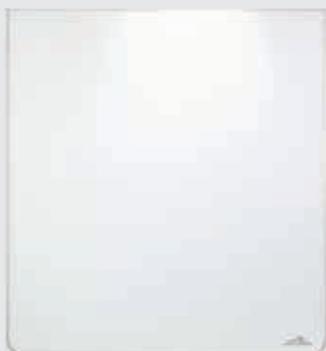

This premium writing board lends sophistication and class to your offices, class rooms, meeting rooms and more.

The product dramatically improves the experience of writing; a premium high-durability lacquered glass serves as the writing surface. The glass is mounted on frames and comes with a built-in, easy-to-fix mechanism, that enables easy installation and safety.

Meetings and presentations will never be the same again!

## Range

### B-Series

#### The Concise

Write and conduct meetings effectively with this classic option of a standard board. An ideal choice for offices, homes, classrooms, meeting rooms and more.

#### Light Weight

Nearly weightless and easily moveable.

### P-Series

#### The Pictorial

Most offices have room for either a whiteboard or a projector screen. This special board has an add-on projector module fitted neatly on top of the writing surface encasing the screen, which you can pull out when necessary to project visuals and images.

#### Projection Screen

Drop-down surface for clear, enjoyable viewing space.

## MODULARITY IN DESIGN

### W-Series

#### The Expressive

This option expands to accommodate all your thoughts. Pull out the sleek side boards, to give an even larger writing surface. It also allows you to segregate and store your information, making it an integral part of your meetings or brainstorming sessions. Spread the wings of imagination with this series!

#### Extendable Wings

Provides additional writing space.

#### Choice of Left & Right

Choose between boards on either side depending on available space.

### WP-Series

#### The All-Inclusive

This multi-tasker not only allows you to extend the wings sideways, but also lets you pull down the projection screen. Project, write and multitask smartly with this series.

#### Extendable Wings

Provides additional writing space.

#### Choice of Left & Right

Choose between boards on either side depending on available space.

#### Projection Screen

Drop-down surface for clear, enjoyable viewing space.
