# COFFEE TABLETOPS

**DESIGN TIP**  
Use sgg Planilaque as a table-top to add a colourful dimension to your furniture.

**HOT TREND**  
Bronze mirrors with bevelled edges are used as table-tops to blend with wooden theme decor.

**Stirring up your senses here is sgg Planilaque (Lacquered Glass)**

**DID YOU KNOW**  
Saint-Gobain has been manufacturing mirrors for over 355 years, and is a name that has become synonymous with them.

# PARTITIONS

**DESIGN TIP**  
Craft spaces with an interplay of opaque & transparent surfaces to make them look unique

**HOT TREND**  
Fabric/foil lamination is done to impart a special, unique material feel to the partitions.

**DID YOU KNOW**  
Pure silver is deposited on mirrors making them reflect.

**Adding luxury to spaces here is sgg Diamant (High Definition Glass)**

## TV UNITS
