INSTALLATION SOLUTIONS

Saint-Gobain Inspire introduces an exclusive range of Glass Installation accessories - Silicones, Tapes and Clips under sGG Glassmate. These products are eco-friendly, easy-to-use glass fixing solutions that ensure safer and faster installation, leading to reduction of time and costs.

Products under sGG Glassmate are recommended for use with all variants of lacquered glass and mirrors.

SILICONES

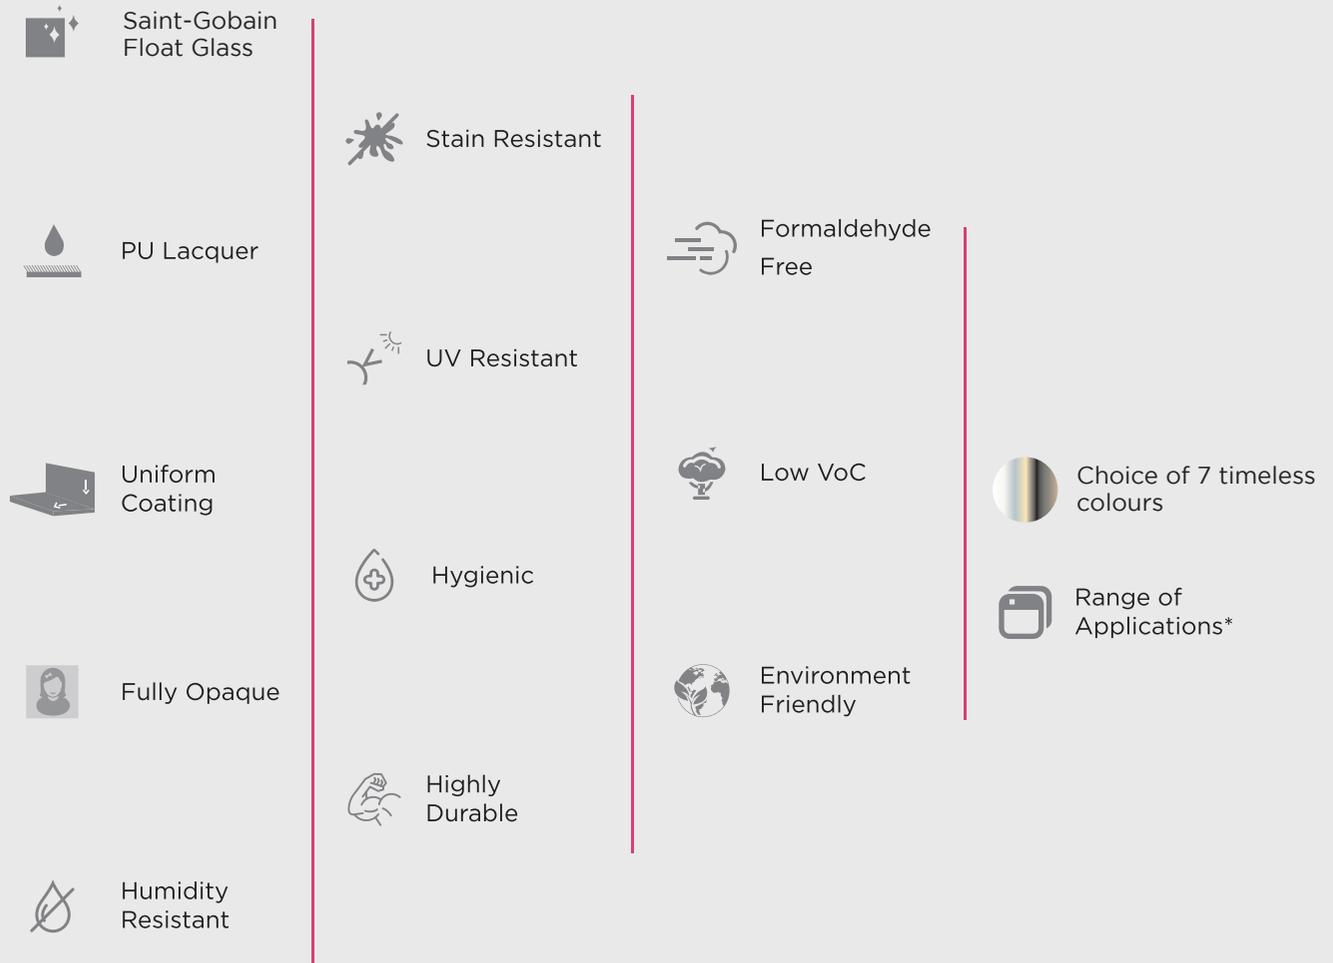

TAPES

CLIPS

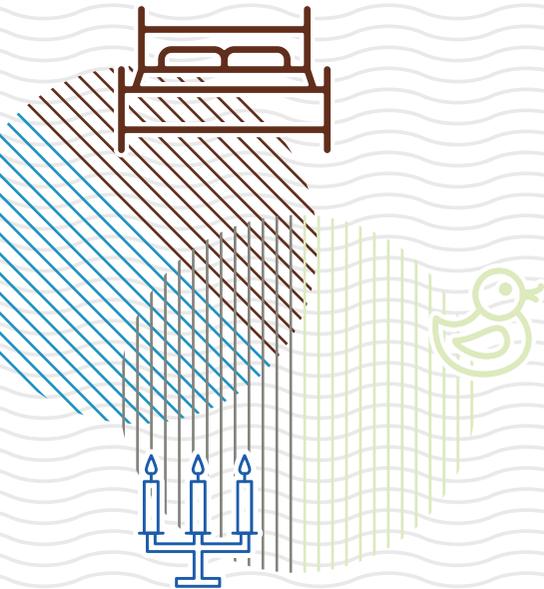

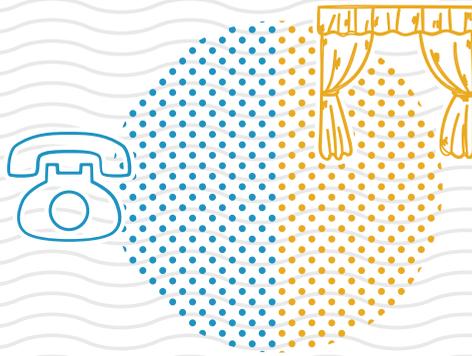

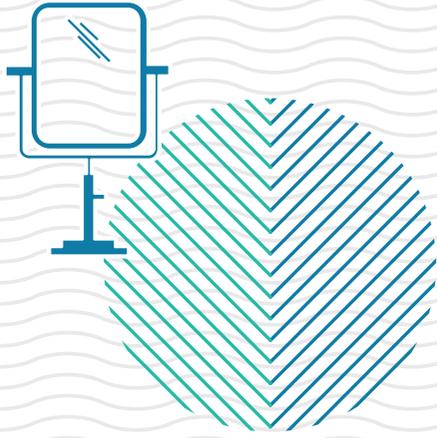

UNIQUE FEATURES

*Can be cut, bevelled, polished, shaped, laminated, sand blasted and screen printed.

INSTALLATION GUIDELINES

- SGG PLANILAQUE can be used only for interior applications and its installation must comply with current national regulations.
- It is suitable for installation in all rooms, including rooms prone to moisture and humidity (bathrooms/kitchens).
- The glass should always be placed on an opaque, flat or smooth wall.
- On a bare wall, it is better to fix a plywood panel before installing the glass. As an eco-friendly solution, we recommend SGG Planiclip for fixing.
- The glass should not be fixed on damp walls.
- Always recommended to use SGG Glassmate products for fixing SGG PLANILAQUE.
