The ultimate blend of elegance and efficiency. These slim, sleek shutters are not just a current European trend; they are designed to enhance the aesthetics of modern living spaces while saving precious floor space.

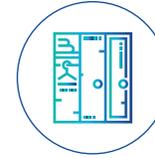

# SLIDING WARDROBES

## STREAMLINED DESIGN, SUPERIOR FUNCTIONALITY

### EASY HANDLING - ERGONOMIC HANDLE DESIGN

The wardrobe features an ergonomic, anthropometric handle design with a sleek structure, providing a light and slim appearance. (Sleekest handles in its category)

### SEAMLESS & SLEEK - DIVIDERS WITHOUT COMPROMISE

Avoid bulky partitions that diminish style. Our wardrobe design offers seamless dividers, enhancing both function and aesthetic appeal.

### TOTAL PEACE OF MIND

Glass shutters are equipped with an anti-shatter film for enhanced protection and complete peace of mind.

### EFFORTLESS GLIDE

Specialized tracks reduce dust build-up for smooth operation, while weather strips between doors minimize dust and insect infiltration.

### SECURITY WITHOUT COMPROMISE & AESTHETICS

Our drill-free side locks offer security without compromising the glass, ensuring safety for your belongings.

### SOFT-CLOSE TECHNOLOGY

Each door features a soft-close mechanism to prevent slamming, ensuring smooth and quiet operation, enhancing both user experience and safety.

# PROFILE CHOICES

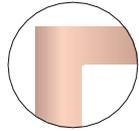

## ARRAY OF PROFILE CHOICES

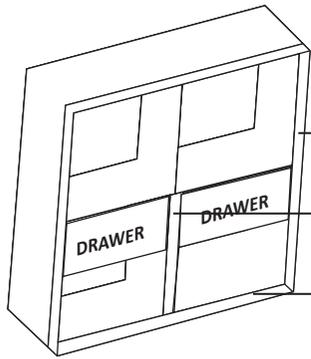

**MATTE BLACK**

**SILVER**

**CHAMPAGNE**

110mm space required for sliding door assembly

80mm packing required in middle to avoid drawer unit hitting to doors during opening

20mm packing required in bottom to avoid drawer unit hitting to doors during opening

### CARCASS SPECIFICATIONS

Whether opting for plywood or steel, the carcass must be leveled both vertically and horizontally. Proper leveling eliminates undulation, ensuring precise measurements for shutter installation.

### END TO END STRESS FREE EXPERIENCE

Right from measurements to Installation of shutters every stage is carefully monitored and managed

## OPENABLE WARDROBES

SECURE, STYLISH, AND BUILT TO ENDURE

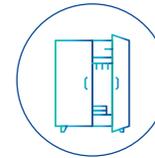

### INNOVATIVE PROFILE OPTIONS

Available in patented 45mm and slim 20mm designs for enhanced style and functionality.

### VERSATILE COMPATIBILITY

Engineered for universal compatibility, delivering superior performance with any fitting.

### ENDLESS CUSTOMIZATION POSSIBILITIES

Unique partition design allows multiple configurations within a single door, offering flexibility to suit your preferences.

### BUILT TO LAST - WEATHER-RESISTANT AND DURABLE

Our wardrobes are weatherproof, resistant to expansion or contraction, termite-proof, scratch-free, and designed to prevent bending for long-lasting durability.

### SECURE WITHOUT COMPROMISE

Drill-free side locks ensure security without damaging the glass, keeping your belongings safe.

### TOTAL PEACE OF MIND

The Anti-Shatter film applied to glass shutters provides an extra layer of protection for complete peace of mind.
